Palm Beach Pride 2024 Tickets: Option 2 - Eventeny

With the tickets renamed these individuals should receive their ticket with QR code via email on Friday before Pride. Even if they can't find that email or don't receive it, when they come to the gate the ticket is in their name. Our staff and volunteers can search and find it, check-in that individual and you will know you have assigned your tickets the way they should be used.

If there's a last minute change - Wonder Woman is sick and Black Widow is taking her place, then Black Widow just uses Wonder Woman's ticket (and my son gets to be right that Marvel is better than DC comics).

Palm Beach Pride 2024 Tickets: Option 2 - Eventeny

Eventeny has a step by step guide to viewing your tickets:

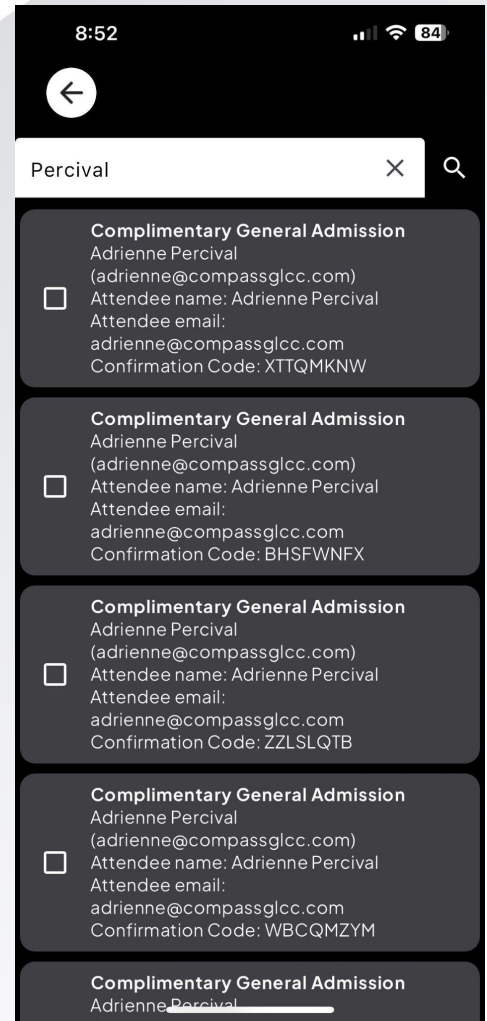

<https://help.eventeny.com/hc/en-us/articles/7267320496155-How-do-I-access-my-purchased-tickets>

Palm Beach Pride 2024 Tickets: Option 3 - Do Nothing

The six tickets are in your name in Eventeny. Your third option is to do nothing, and just tell your team to use your name at the front gate.

Going back to our comics scenario, this means that Wonder Woman, Betty Rubble, Wilma Flintstone, Lara Croft & Jessica Rabbit can all drop my name and get in on the 5 of the 6 tickets issued to Adrienne Percival (plus I will use one of them).

At Pride the folks checking you in can search on **YOUR NAME** to find your tickets. You can see 4 of the 6 tickets issued on this phone screen. If someone said they were here to work with Adrienne Percival, we could use one of the six tickets to check-in that individual.

Palm Beach Pride 2024 Tickets: Option 3 - Do Nothing

We will not be tracking who is using your tickets. They drop your name, we click the check-in box to use one of your tickets and they enter the park. So if Thor, Captain America and the Hulk decided to use the name of Adrienne Percival before Wonder Woman, Wilma & Betty could get there, then those tickets would be used on the Avengers. There would be none left for the individuals you had intended to use them, and Wonder Woman, Wilma & Betty would need to pay \$12 each to enter the festival.

Palm Beach Pride 2024 Tickets: Conclusion

We strongly encourage you to log into Eventeny and assign your tickets so that you are in control of who is using those tickets.

The Do Nothing option may be appealing ahead of time, but it is a source of stress during the festival. If someone standing in line hears one of your team use your name to enter the park, they could decide to drop your name and avoid paying the \$12 to enter. We would have no way of knowing they shouldn't using your tickets.
